Luxury Two Story Mansion In Cha Am

85,000,000 THB

This is the ultimate in luxury mansions.

The villa is situated on almost 7,000 square meters of meticulously landscaped, tropical Thai gardens and is only a short walk from a quiet beach.

It is the perfect family getaway mansion for a large family from Bangkok.

No expense has been spared in the design and construction of this stunning private pool villa and only the best materials and top designers and builders were used in the creation of this private mansion.

Sprawled over two floors, this villa exudes class and style. From the inlaid crest in the entrance foyer tiles, to the stained glass windows in the hardwood front doors, each new detail beats the previous one.

The two designer chairs in the entrance foyer were hand made by a well renowned Italian designer.

Walking through the sliding teak wooden doors into the dining room facing the landscaped back gardens you are greeted with a traditional Chinese dinner table with seats for the whole family.

The upstairs private cinema room has been fully wired for surround sound movie nights.

The impressive crystal chandelier in the entrance foyer completes the amazing two story entry to this villa.

All bedrooms are fully fitted with only the best and highest quality wooden finishing and beds.

The home's 2nd floor private study / office boasts an expensive dark wood desk that can easily find its home in any royal establishment.

In the private back garden there are additional rooms for entertainment adjacent to the enormous swimming pool – perfect to spend your family holidays playing games and relaxing in the all year round weather.

The villa features two kitchens, one European indoor kitchen and another, also fully fitted, semi outdoor Thai kitchen – both next to each other.

There are dedicated staff quarters for full time live-in staff to maintain and care for this private family mansion.

This is a one in a million property only 10 minutes north of Hua Hin city, with close beach access and absolute privacy.
