This is an ideal opportunity to invest in one of the highest potential areas in Hua Hin – Khao Tao. Khao Tao has grown significantly in popularity in the last 10+ years and there are multiple high traffic cafes, bistros, restaurants, beachfront coffee shops and other international and local tourist attractions that cater for all visitors.

Land prices in Khao Tao area have risen significantly and will likely continue to increase in the future.

Khao Tao area is ideal, as it is surrounded by lush, green mountains and flowing treetop hills. Sainoi beach is one of the best beaches in Hua Hin and is secluded by two large rock outcroppings, making it exclusive and private but yet open to the general public.
