

Wonderful 2 Storey 5 Bedroom Pool Villa

15,900,000 THB

This property is undergoing large scale renovations and upgrades. Price will be adjusted higher after renovations are complete.

This 5 Bedroom 2 story Pool Villa with 4 bedrooms in the main house, 1 bedroom separate guest villa with living room and kitchen and bedroom with en-suite bathroom is located near to Palm Hills Golf course in Soi 6 in an area known as Bor Fai.

The villa features on the ground floor a living room, a separate dining room with direct access to the pool area and an adjoining fully equipped European kitchen with utility room. The kitchen is perfect for a large family with large breakfast counter and lots of storage and space to move around.

Upstairs are 4 bedrooms with 4 bathrooms and built in wardrobes and balconies overlooking the gardens. The master bedroom features a large, walk in wardrobe leading to the master bathroom for the lady, and then there is another separate bathroom for the other partner as well. The master bedroom also has a purpose built private stairway leading down to the back garden for emergency getaways, but you'll likely never need to use it of course.

The driveway area has space enough for 6 cars to park easily, and there is a built in maids room with bathroom adjacent to the covered carport + also another room which is perfect for a home office, so technically the house actually has 7 bedrooms.

The tropical garden is huge, with lots of green, mature trees and also a large lawn to play with dogs and children.

The covered outdoor kitchen is ideal for home BBQs and entertaining, with loads of space for friends and family.

The property is at the end of a cul de sac in a private and quiet area. It's surrounded by other large private homes but there are no mandatory maintenance fees.

Continuing eastward on Soi 6 leads you to the back of Palm Hills Golf Club so it's perfect for the avid golfer or as a private rental property with high potential for serious short term rental income.
